

# Theatre Royal Whakatū Nelson Standard Hanging Plot

Our setting line is defined as the upstage edge of the proscenium arch.

Add 1300mm for the distance to the downstage edge.

Listed trim heights are to the underside of the flown object.

| Line-set                   | mm to setine | Item             | Trim Height | Weight       | Notes                                   |
